About Interactive Intelligence

Interactive Intelligence Group Inc. (Nasdaq: ININ) is a global leader of cloud services for customer engagement, communications and collaboration designed to help businesses worldwide improve service, increase productivity and reduce costs. Backed by a 21-year history of industry firsts, 100-plus patent applications, and more than 6,000 global customer deployments, Interactive offers customers fast return on investment, along with robust reliability, scalability and security. It's also the only company recognized by the top global industry analyst firm as a leader in both the cloud and on-premises customer engagement markets. The company is headquartered in Indianapolis, Indiana and has more than 2,000 employees worldwide. For more information, visit www.inin.com.
